Subject: INC0025156 - Update
Date: Tuesday, November 7, 2023 2:47:39 PM

As you will recall, on August 30th an incident occurred where a 7-day retention policy was inadvertently distributed to Exchange and OneDrive. When this happened, to allow time to remediate the issue, a 10yr retention policy with no delete action (retain for 10 years then do nothing) was placed on all Exchange and OneDrive locations. Remediation is now complete for all accounts known to have been affected so WaTech will be disabling the 10yr policy on Thursday 11/16. If you have any questions about any of this, please contact Jason Beers (jason.beers@watech.wa.gov) or submit a ticket to the WaTech Service Desk (support@watech.wa.gov).
