Dear Oleg Welch,

The Office of the Washington State Auditor has received your email in our SAO Public Records mailbox and completed our response, as follows:

Your public records index required of all state agencies under RCW 42.56.070 also, your form is out of whack. You can not require any of this information you require AND you have "Virgin Islands" as an option and not Puerto Rico???? And for the record you don't even have to live in the states to make a public records request. I'm offended.

In response to your request, the indexing and classification of all SAO documents is contained in the SAO Records Retention Schedule available on the Washington Secretary of State Office, Department of Archives website. I am including that link here as a courtesy to you. [Agency/Agencies](#): These schedules in addition to our Public Records Page and the publication of our audit work serves as the SAO index. SAO has a page on our website related to SAO Public Records at [About Public Records | Office of the Washington State Auditor](#). Additionally, SAO also has all completed audits available on our website at no charge at [Audit Reports | Office of the Washington State Auditor](#). As we have fulfilled your request, we will now consider this request closed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

Mary Leider, CPRO
