Dear Mr. Todd,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***I need all information on the review of Western Washington University's Woodring College regarding the 'ghost credits' that were issued. Including the report from WWUs audit. Addendum, etc too.***

In response, our office did not do a review or issue any reports on this issue. In our Fiscal year 2020 audit we note that we obtained and reviewed '1906-Final-Report-Woodring-Investigation' dated 7/12/19 from Westerns Internal Audit Department. Our audit shows we obtained it and considered it but didn't do any work on it. We would like to direct any further questions to the University directly at [Requesting a Public Record | Public Records | Western Washington University](#). Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
