Dear Mr. Rowoldt,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Aud. File #4819919 Claimant Roberta Rice Debtor James Rowoldt

In response, our office does not audit individual citizens. Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we:

- Perform special investigations of fraud and whistleblower cases and referrals from our Citizen Hotline.
- Conduct performance audits of state agencies and local governments.
- Produce several annual reports addressing state, local and internal matters.
- Take our role as partners in accountability seriously. We provide training and technical assistance to government organizations and have an extensive program to coordinate audit efficiency and to ensure high-quality audits. To learn more, explore the material in the Center for Government Innovation.

You may want to contact your Thurston County Auditor at [Auditor | Thurston County](#) or Thurston County Clerk at [Searching for Case and Hearing Information | Thurston County](#) for the records you are seeking. Since we have no responsive records, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
