The City of Puyallup is promoting a new condo establishment called "The Ezra", some are pre-selling for over 1\$ million dollars. Recently the Mayor Dean Johnson posted that he sold one and that folks need to check it out. This is currently still showing as city property, the Council is all gung-ho.

Please provide a detailed description of the assertion or outstanding achievement, including who, when, where, what, how and how much.

Ezra development condos and the Mayor of the City of Puyallup. Conflict of interest - why is the Mayor selling these extreme condos downtown puyallup? 1million + - there is another area where they are moving out folks from a manufactured home park in the city and they are cutting them short too. Something isn't right.

How did this issue come to your attention?

Several community members, trying to figure out why the Mayor, Dean Johnson is posting selling these high end condos where the property still shows owned by the city of puyallup and there is a sales office in a city building.
