Dear Ms. Cobb,

The Office of the Washington State Auditor has received your public records request sent in via our website, as follows:

Requesting public records request for lottery taxes and where those funds have been allocated for the last 5 yrs

It is the understanding of the State Auditor's Office that the Lottery Commission doesn't collect any lottery taxes. Are you asking how the proceeds of lottery sales were allocated for the last five years? We need to hear back from you by November 4, 2024 in order to process your request timely. If we do not hear back from you by then, we will close your request in our system.

Please let us know if you have any questions, concerns or issues regarding this request. We look forward to hearing back from you.

Sincerely,

Mary Leider, CPRO
