Good morning. I had someone open the article and send me the information, along with the audit so I no longer need the audit linked in the article. I will keep the request for any management letter issued related to this audit.

In addition, please provide all communication between SAO and any Skamania County Elected officials/staff(from any department in Skamania County) about issues brought up during this audit(missing drugs, missing guns,policies,etc). Please let me know if you need any clarification. All communication from beginning to end, around the audit of the sheriffs department.

**To whom it may concern,**

**I cannot open the attached article because I have used up all my free articles. I tried looking on your site but didnt see anything specific to the Skamania County Sheriffs Office. Can I get a copy of whatever audit report for the skamania county sheriffs office sent to me via email, with a PDF file?**

**Thanks,  
Staci**
