Dear Mr. Troh,

The Office of the Washington State Auditor has completed our response to your public records request sent in via our website, as follows:

I would like financial records or reports for this School district for the last 5 years or however far back I can get. I would like to see the annual funds available and the spending of those funds.

In response, we have attached all the responsive records found to fulfill your request with us. We have included the detailed revenue and expenditures reports in DARS for the last several years. We also have 4 years of information in the FIT tool on our website, which is pretty high level, but you can access at [Financial Intelligence Tool](#). Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
